

Internship Opportunity: Communication Officer (EU Projects)

We are looking for a motivated **Communication Officer Intern** to join our team and support the communication activities of the European projects carried out by our association.

This internship is designed as a **learning and training opportunity**, with the potential to evolve into a longer-term collaboration based on performance and organisational needs.

About the Role

The selected candidate will support the design and implementation of communication and dissemination activities within EU-funded projects, contributing to increasing visibility, engagement, and impact.

Key Responsibilities

- Support the creation of communication materials (social media posts, newsletters, website content)
- Assist in the implementation of dissemination strategies for EU projects
- Contribute to the organisation and promotion of events (online and offline)
- Help manage social media channels and editorial calendars
- Support the drafting of project deliverables related to communication (reports, dissemination outputs)
- Ensure compliance with EU visibility and communication guidelines

Profile

- Background in Communication, Political Science, European Studies, or related fields
- Strong writing and editing skills
- Languages: English and French required; a third language is a plus
- Interest in EU projects, social impact, and civil society
- Familiarity with social media platforms and basic communication tools (e.g., Canva)
- Organised, proactive, and detail-oriented
- Ability to work both independently and in a team

What We Offer

- Hands-on experience in EU-funded projects
- Mentorship and training in project communication and dissemination
- Opportunity to develop practical skills in a dynamic, international environment
- Possibility of future collaboration based on performance

Duration & Conditions

- Internship duration: **6 months**
- Location: **Hybrid** (mix of remote and in-office work)
- Starting date: **September**
- Compensation: **€500/month**
